

Eritrea Package

3Night/4Days

Eritrea is the northeast African country on the Red Sea coast. The official name of the country is the State of Eritrea. It is bordered by Sudan in the west, Ethiopia in the south, and Djibouti in the southeast. Asmara is the capital city and largest settlement in Eritrea. The city is located at the tip of an escarpment that is both the north-western edge of the Eritrean highlands and the Great Rift Valley in neighbouring Ethiopia. The city is known for its well-preserved art deco and colonial Italian modernist architecture.

Massawa is a port city in Eritrea, on Africa's Red Sea coast. In the old town, on Massawa Island, a mix of Italian, Egyptian and Ottoman architecture reflects the city's colorful history. On nearby Taulud Island, notable buildings include the crumbling, war-damaged Imperial Palace and St. Mariam Cathedral. Near the cathedral, 3 tanks form a monument commemorating those who died in Eritrea's civil wars.
